

Funding Call from DG CNECT

New call for Specialised Education Programmes in Key Capacity Areas (ADVANCED-DIGITAL-07-KEYCAPACITY [1 [1]]).

The call will open on 4th of July and close on 21th of November (at 17:00).

Info day and pitching event will take place online on the 5th of July from 10:00-13:00 CET. Please, register here [2 [2]]. A discussion and partners search [3 [3]] page is available on the Digital skills and Jobs Platform.

Funding is available for the design and delivery of higher education programmes (bachelor's, master's and doctoral programmes) and related self-standing modules for:

ØSpecialised education programmes for the development of advanced digital skills in key capacity areas:

- virtual worlds, edge computing, quantum computing, photonics, and robotics and automatization

ØInterdisciplinary programmes targeted at the acquisition of advanced green digital skills in the specific sectors related to the green transition:

- agriculture, transport, renewable energy and waste management

ØInterdisciplinary programmes targeted at the acquisition of advanced digital skills for the:

- government and public sector
