

Dear Sir/ Madam,

My name is Rabi Basumatary, and I am reaching out as part of the organizing team of the International Student Week in Ilmenau (ISWI), Germany's biggest international student conference of its kind. The event is organised by ISWI e.V (Initiative Solidarity World in Ilmenau), a non-profit organization.

We would like to invite your esteemed institution to help us in promoting this event and to share this opportunity with your students. Below you will find a link to our detailed PR materials and information that can be used across different channels - such as social media and posters, for example.

Who are we?

We are a non-profit student association established in 1992 and based in Ilmenau, Germany. Our goal is to provide a voice against social injustice, racism and intolerance as well as to promote intercultural tolerance and mutual understanding.

What is ISWI?

The 'International Student Week in Ilmenau' (ISWI) is a conference organized by students and for students. Since 1993 it has taken place every two years on the campus of the Technical University of Ilmenau. We welcome participants from all over the world and promote the possibility to exchange their opinions and work on potential solutions, independently of their personal, social or cultural background. The official language of the conference is English.

ISWI 2025

ISWI 2025 will take place from June 12th to 21st, 2025, bringing together students from around the world for 10 days of full cultural and engaging thematic discussions. This year, the conference will focus on the topic "Sharing Power, Giving Opportunities and Enabling Participation" and our goal is to emphasise the responsibilities and opportunities for a more inclusive and participatory world.
